

Meet the Staff

Anesia Yohak, Tribal Operations Clerk.

Hi! My name is Anesia. I'm from Kwethluk originally. I've been working at AVCP Tribal Operations as a Secretary since February 4, 1985, and just returned from leave after having a baby.

I enjoy working with people in our region, and I make a lot of calls to our villages that are mostly concerned with Tribal Government, and I occasionally make business trips to help out in their offices.
