
The state Senate Resources Committee has scheduled a hearing on subsistence for March 5. Additional hearings on the subsistence legislation introduced by Sen. Mitch Abood will be scheduled as the bill moves through Senate Committees.

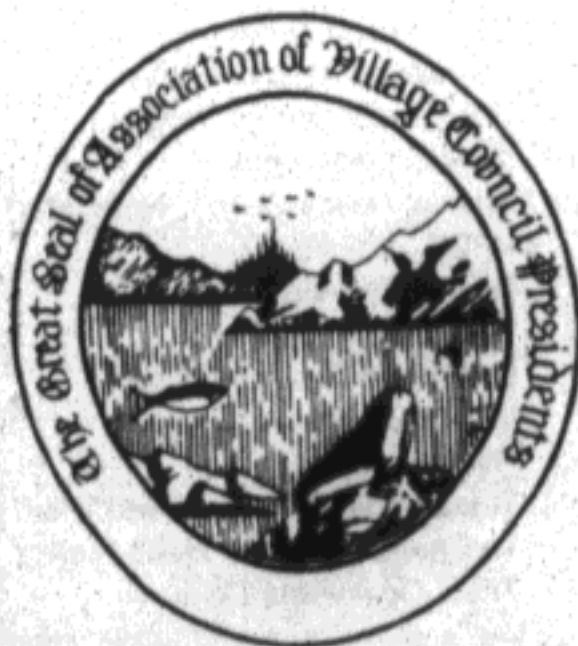

For information on how you can be heard at these hearings contact the Legislative Information Office at 543-3541 or AVCP Natural Resources at 543-3521.

(see story, front page)

DON'T MISS THE

AVCP MIDWINTER CONVENTION

March 19-21 in Kasigluk

This conference is being held after a request by participants of the Wangkutnek Auluklerkarput conference in Akiachak this January, that AVCP hold a convention to discuss how the organization and its members can support local efforts for self-determination.

Agenda items will focus on this question.
