Star-Spangled Foundation

You can start your new home with Savings Bonds right now—and look how easy the Payroll Savings Plan makes it:

There is nothing more disappointing than to discover the home of your dreams, only to learn you don't have enough cash for the down payment.

Buying Bonds on the Payroll Savings Plan is one way to make certain your dreams come true.

You can forget the worry of having money to save after the bills are paid. The money will be saved, automatically, beforehand.

And your savings will build fast. With the new 4.15% interest rate, Series E Bonds give you back \$4 for every \$3 in just seven years.

Bonds give you the good feeling, too, of knowing for sure that your savings are safe. Your \$4 for \$3 return is guaranteed by the U.S. Government.

It's important, too, that Bonds help protect your freedom to build your own home. They help keep AMERICA the secure, free land you want for your family—maintain a stable economy and back our men in Vietnam.

There's no better time than right now to start a financial foundation to "build on." Sign up today for the Payroll Savings Plan where you work.
