

# NCAI Executive Council to meet

The 1983 meeting of the NCAI Executive Council is being called to session on January 25-28, 1983, at the International Hotel in Washington, D.C.

NCAI will also host its Second Annual Awards Banquet to be held the night of January 26, during the meeting. An invitation is extended to all Tribal leaders and individuals to attend this year's meeting and banquet.

The objective of this year's meeting will be to prepare Tribal concerns which must be considered by the new 98th Congress. A part of our planning calls for a session to take place at the White House. Administration officials are being invited to respond to the Indian Policy Statement which is due to be released prior to the Executive Council Meeting.

In addition, part of the Executive Council Meeting will be held at the Indian Health Service in Rockville, Maryland (bus transportation will be provided). Delegates will have the opportunity to meet with Indian Health Service and Department of Health and Human Services officials to discuss current health issues.
