Do business with a bank that wants to do business with you.

When you save with UBA, you make a safe, wise investment. Your money is available when you need it, interest is earned daily, and your funds are federally insured to \$40,000.00, plus you have the advantage of a convenient Bank-by-Mail system.

And nothing is better than a UBA checking account for your personal finances. It's safe, too (you don't have to carry a lot of cash) and simple, because your monthly UBA statement conveniently lists all checks in their proper order.

All of our savings and checking plans offer special and definite advantages. Write us for more information.

Do business with a bank that wants to do business with you.

Please send me more information on UBA's savings and checking plans.
