

# **Arts fellowship applications due Aug. 23**

Applications for Individual Artist Fellowships are available from the office of the Alaska State Council on the Arts. This Fellowship program is open to creative visual artists, writers, composers and choreographers of exceptional talent of any age and aesthetic persuasion.

Fellowships of \$5,000 will be awarded to a limited number of artists to enable them to set aside time for their work, to purchase materials, to do research or travel, and to generally advance their careers as they see fit.

To apply, an artist must submit an application form and additional supporting materials as specified in the application guidelines. Applications must be postmarked by Aug. 23, 1982 in order to be considered.

Fellowship winners will be selected on the basis of the quality of work, the level of professional commitment and activity, and the proposed fellowship activity and its relationship to the applicant's professional career development.

For further information and application guidelines and form, contact the Alaska State Council on the Arts, 619 Warehouse Avenue, Suite 220, Anchorage, Alaska, 99501, or call (907) 279-1558.
