

"The Eskimo Art Collectors Touring Bibliography" published

"The Eskimo Art Collector's Touring Bibliography" a unique guide to Eskimo art collections world-wide has just been published by "Arts and Culture of the North," 162 East 80th St., New York City 10021 USA.

Listing over 200 museums, non-profit galleries and commercial dealers with Eskimo materials—archaeological, ethnographic and contemporary—the 4-page

guide, divided into sections on Alaska, the "Lower 48" Canada and International, is the only reference of its kind.

The "Touring Bibliography" has been published as part of the May issue of "Arts and Culture of the North," a new quarterly publication devoted exclusively to Eskimo art and culture.

The ACN quarterly is available
