

# VA Monthly Benefits at \$219,000

M.W. McDonaugh, Manager of the Veterans Administration in the State of Alaska, announced today that the Veterans Administration is paying disability and death benefits in the approximate amount of \$219,000 monthly to approximately 2,700 beneficiaries, including veterans, widows, children and dependent parents in the State of Alaska.

In addition the Veterans Administration is making educational assistance allowance payments averaging more than \$90 monthly to more than 1,000 veterans and dependents.

These payments have a noticeable impact on the economies of communities throughout Alaska, McDonaugh stated.
