When you save with UBA, you make a safe, wise investment. Your money is available when you need it, interest is earned daily, and your funds are federally insured to \$40,000.00, plus you have the advantage of a convenient

Bank-by-Mail system.

And nothing is better than a UBA checking account for your personal finances. It's safe, too (you don't have to carry alot of cash) and simple, because your month-.ly UBA statement conveniently lists all checks in their proper order.

All of our savings and checking plans offer special and definite advantages. Write us for more information.
