

# Edgecumbe Bravettes make strong showing

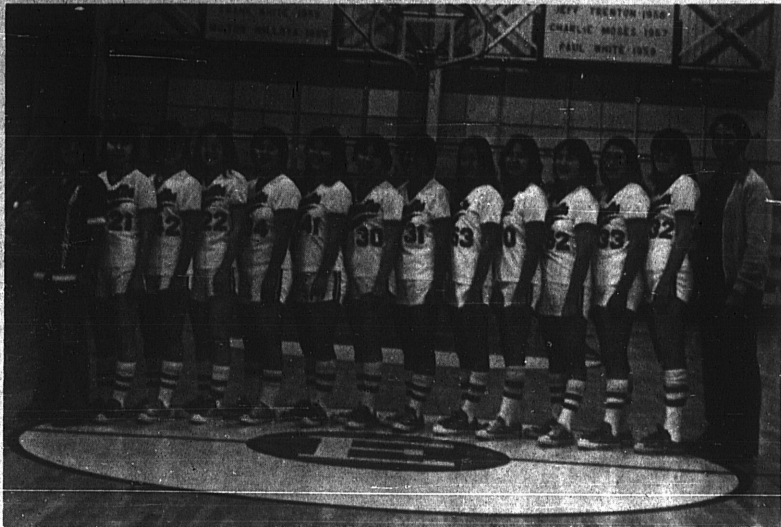

The girls' basketball team at Mt. Edgecumbe is making a strong showing as defending Southeast Tournament Runners-up. The team boasted a 12-2 record at the Christmas break, including a split with the defending champion, Ketchikan, and a pair of victories against an al-

ways strong Juneau squad.

Bonnie Aloysius, a senior from Kalskag and three-time Southeast All-Star selection, is the team's leading scorer with 201 total points. Junior stand-out, Bev Kashevarof of St. George, heads the rebound parade with 112 and has added 97 points.

Linda Takumjenak, a Lower Kalskag senior guard, leads the team in assists with 28. Another Southeast All-Star choice, Anna Plentikoff is a starting guard and a senior from St. Paul.

The Bravettes play ten more games before participating in the Southeast Tournament at Wrangell on February 15-17. They will be battling for the opportunity to represent Region V at the State Tournament. Last year's team finished eighth in the state tournament at Wasilla.
