Recruitment Announcement

Employer: Yukon-Kuskokwim Health Corporation
Title: Remote Maintenance Worker
Duties/Responsibilities: Provides assistance to ten (10) lower Yukon River villages with operation and maintenance of community water and sewer systems. Will be stationed in St. Mary's and travel regularly to Russian Mission, Marshall, Pilot Station, St. Mary's, Pitka's Pt., Mtn. Village, Emmonak, Alukanuk, Sheldon Pt. and Kotlik. During each village visit the RMW will:

1. Trouble shoot problems with local operators.
2. Assist with ordering replacement parts and making repairs.
3. Provide local operators with on-the-job training.
4. Determine the adequacy of existing sanitation facilities.
5. Help identify capital improvements.
6. Assist communities with emergency repairs as needed.
7. Review the user fee schedule and determine if the funds collected are adequate to operate the system.

Technical assistance for the RMW will be provided by the Alaska Dept. of Environmental Conservation and the Public Health Service. The City of St. Mary's will provide shop space, clerical support and local transportation. Housing in St. Mary's is the responsibility of the RMW. Tools will be provided as needed.

Qualifications: Must have at least two (2) years experience repairing pumps, generators and boilers and have a working knowledge of plumbing and electrical systems, a basic understanding of water and wastewater treatment processes; a positive attitude about and aptitude for working with village people; and a willingness to travel to remote locations in small aircraft.

Salary: \$40,000-48,000/Annum DOE, plus liberal fringe benefits, for an employment period beginning in the summer of 1983 for 12-18 months. Funding beyond March 1984 is dependent on legislative action during this current session.
