

Fiber conference to be July 24-26

The Fairbanks Weavers' and Spinners' Guild is sponsoring the first statewide fiber conference called FiberAlaska to be held July 24-26 on the University of Alaska-Fairbanks campus.

The conference will offer displays from individuals, guilds and fiber-related businesses, a choice of 15 mini-workshops led by outstanding Alaskan artists and a keynote speech by Pat Hickman, internationally known fiber artist from Berkeley, Calif.

Additionally, Hickman will offer a two-week workshop, July 26 to Aug. 8, through the Fairbanks Arts Festival.
