

312 Envelopes—

Souvenirs

On July 2, 1975, Ray Genet, owner of Genet Expeditions, carried a small packet of envelopes to the summit of Mt. McKinley especially for Hope Cottage, Inc.

These envelopes all have special cachet, and were signed by Genet on the date the summit was achieved. The bundle of 312

envelopes was then cancelled in Talkeetna, after the climbing party was taken off the mountain.

These envelopes are now in the possession of Hope Cottage, and ready to be given as an acknowledgement gift for receipt of donations of \$5.00 or over.

Contributions can be mailed in to Hope Cottage, Inc., 2805 Bering St., Suite 2-A, Anchorage, Alaska 99503; or they may be brought in to the Hope Cottage Administration office and the envelope picked up during regular business hours.
