

"First National gave us excellent service
all the way with our home loan. We're
very satisfied."

-Ken Hamm
Bethel, Alaska

First National has been helping Alaskans settle into their own homes for over 65 years. Whether you're looking for a starter home or your dream house, First National can help you every step of the way.

And when you choose First National for your home loan, you'll not only get professional, friendly service. You'll be banking with an Alaskan owned and operated bank known for strength and stability. First National is consistently rated among the nation's top-performing banks.* Money Magazine recently named First National one of the safest banks in the nation.

Come talk to us about home loans ... and discover why First National is the one to count on.

Mortgage Loans

- Save time and money. Use our application for prequalification to determine the best loan for you. Once you're prequalified, you'll be able to improve your offer and close the deal faster.
- Don't worry about all the paperwork. Our experienced staff will help you complete all the forms required to submit your loan for approval. We welcome your questions and concerns.

Arvin Dull
Vice President & Manager
Kuskokwim Branch

- Keep track of payments easily. You'll receive a First National coupon payment book complete with self-addressed labels for your convenience.

- Make your payments automatically from your First National checking or savings account.

- If you ever have a question or a problem, call on us instead of calling long distance. Almost all of our loans are serviced here in Alaska.
