

*Eighth graders and their teacher and chaperone visited Calista Corp. offices recently where they were shown maps of the Calista region and land status maps of the area near Tuntutuliak where the students live. Shown above are, standing, from left, teacher Judy Dickson, students Lisa Fitka and Olinka Albrite and chaperone John Fitka. Seated are students Jessie Lupie, Benjamin Andrews and Charlie Steven. In addition to learning about land and maps, the students also visited the shareholder records department.*
