Power to go places where there  
is no power—that's the beauty of  
the new Honda E400 Portable  
Generator. Take it on a fishing  
trip and it'll run a small refrig-  
erator to keep your catch fresh.  
Put one on a boat and it'll power  
a bilge pump giving you more time.

Big power. Small package. The  
famous Honda four-stroke overhead  
cam shaft engine provides years of  
trouble-free service with a mini-  
mum of maintenance.
