Herbie Rides Again!

Herbie Nayokpuk has seen the Iditarod before. All thousand miles of it. He knows that it's the longest, most punishing dog race in the world. And he can't wait.

Atlantic Richfield is proud to sponsor Herbie in this year's Iditarod race. He is truly one of the grand masters of

Alaskan sled dog racing, with one of the finest teams in the world. And that means just one thing: When the race is on, Herbie's in.
