Spend an evening getting to know the people and

places that make the last frontier unique on *Jay*

# JAY HAMMOND'S

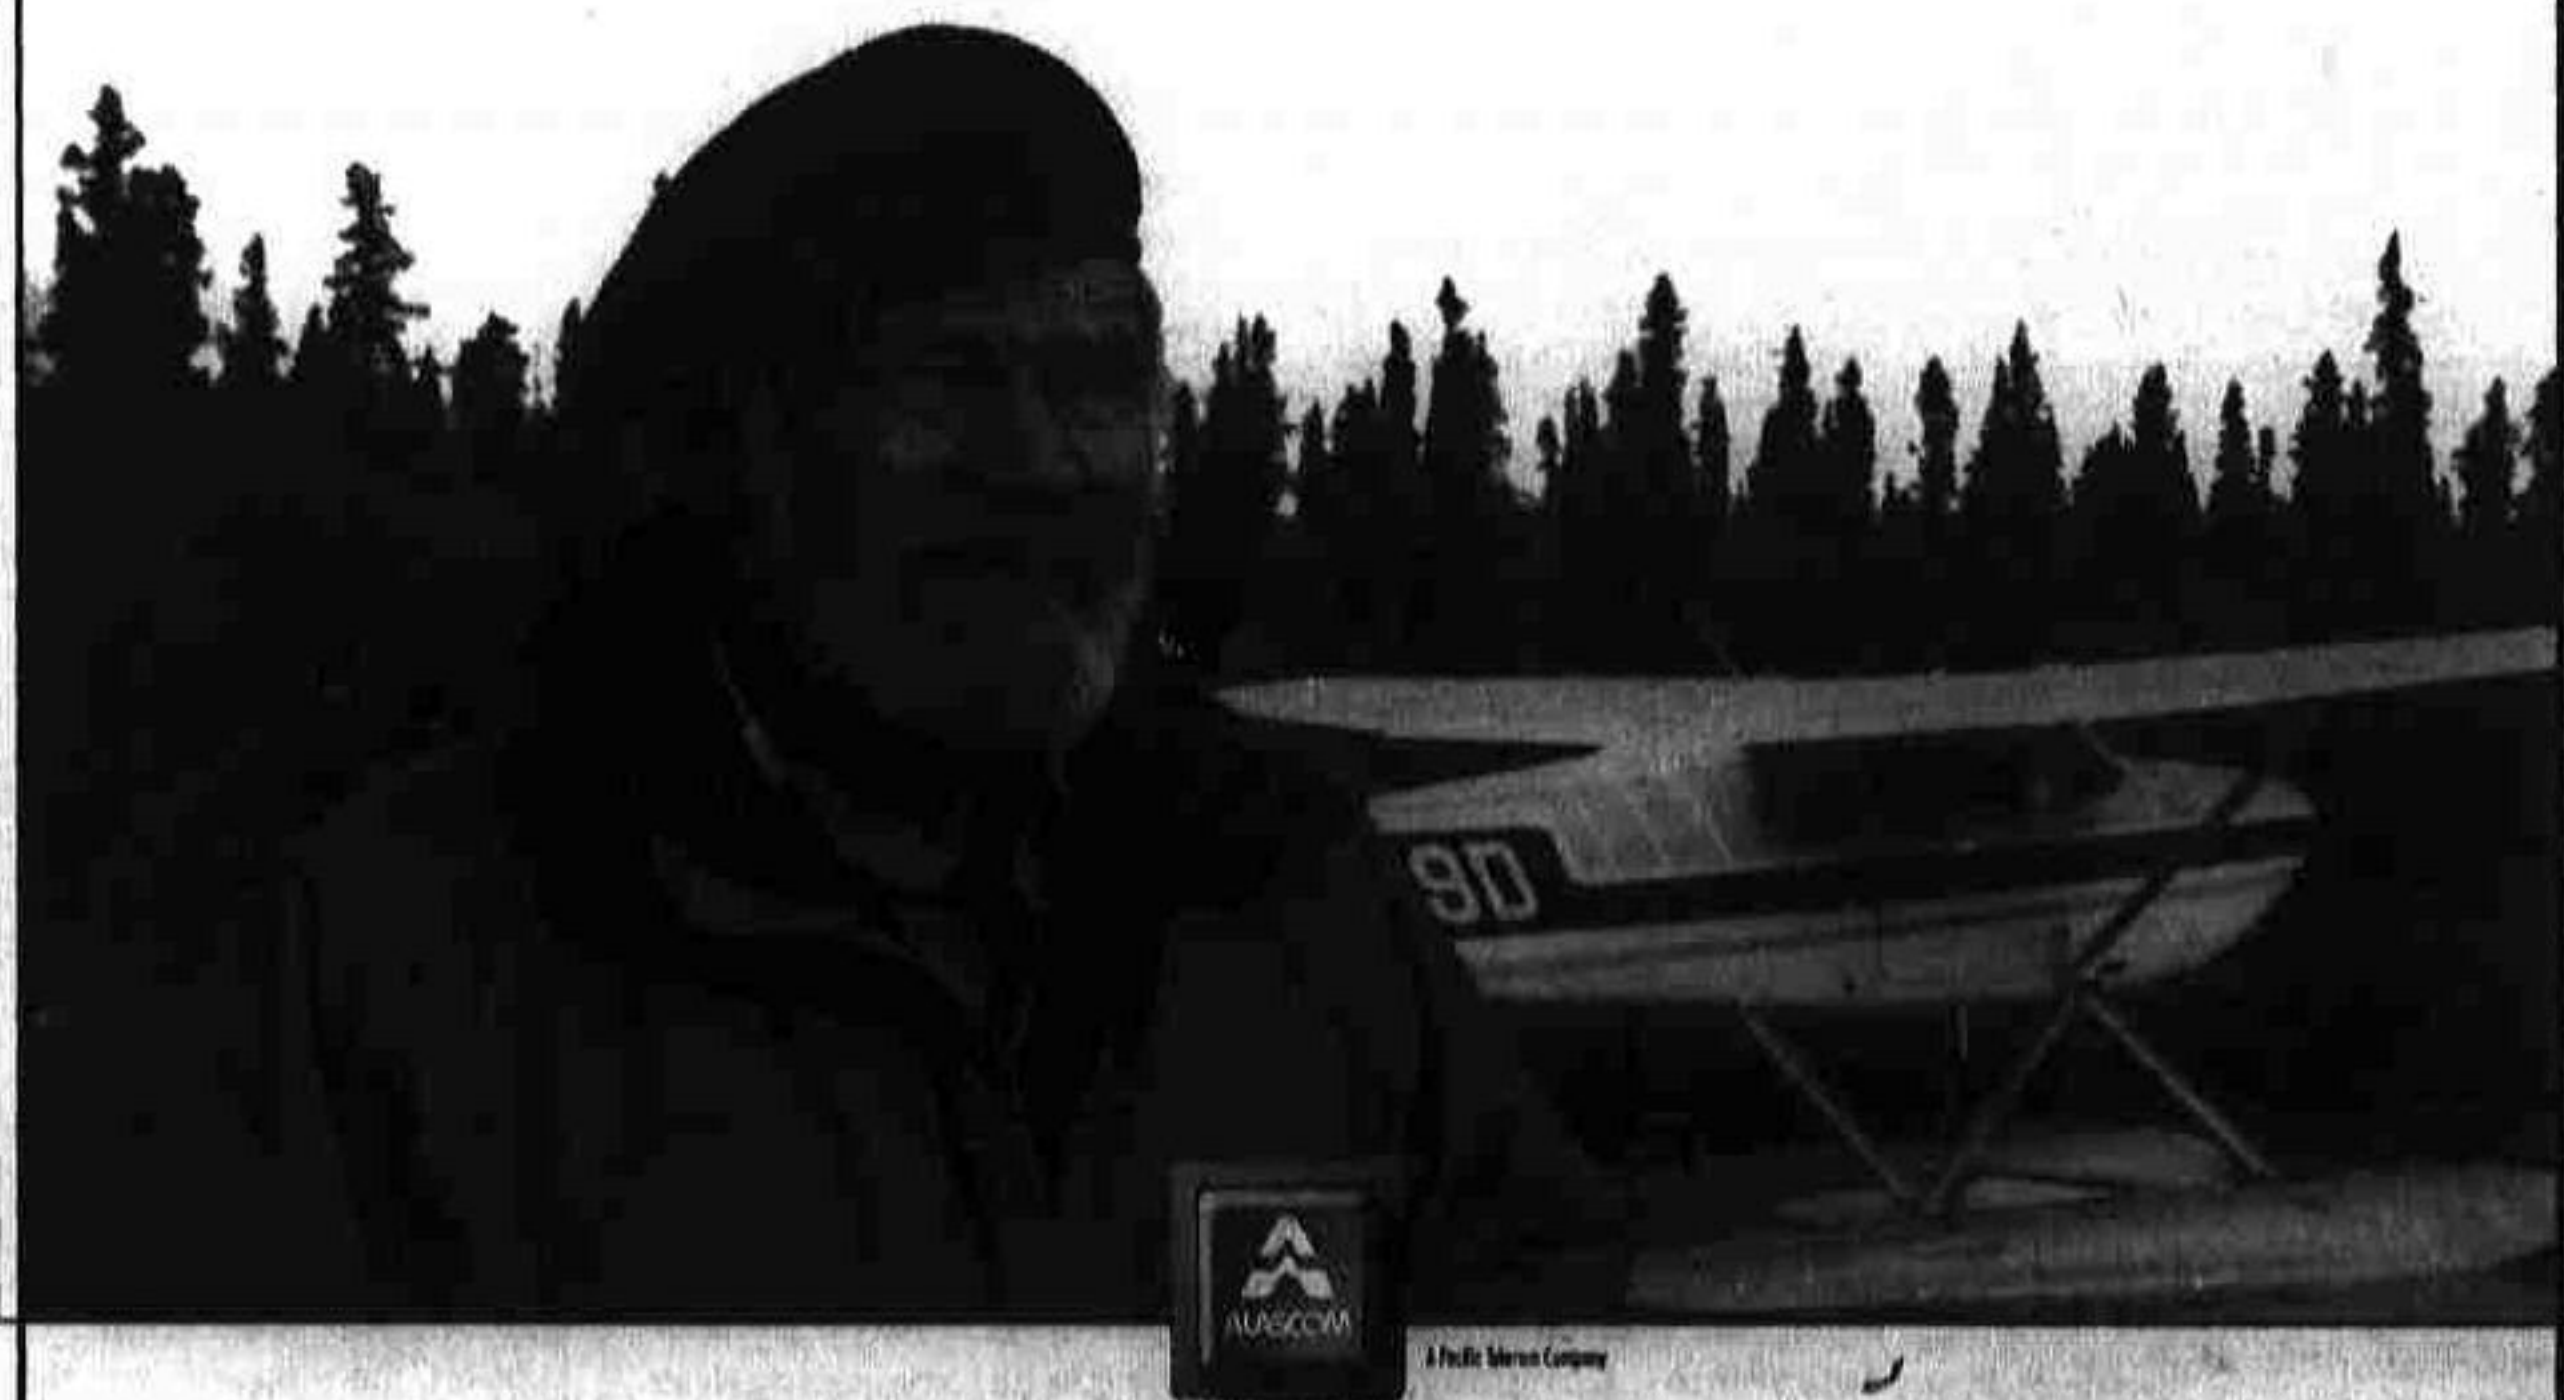

*Hammond's Alaska.* ■

# ALASKA.

This week Jay visits four Alaskan musicians, who

add to Alaska's beauty through their music. ■

You'll meet Craig Corey, whose father taught him a love for the Native Alaskan music of the Lake Clark area. Today he teaches and composes using elements of the Indian music he grew up with. ■ Then Jay will introduce you to Shirley Staten. A talented, charming lady with a heart as big as her voice. As the organizer of the International Women's Peace Choir, she sees music as a way to bring people together. ■ And you'll get to know JoAnn & Monte. For sixteen years this couple has shared their love of Alaska with the world through live performances and on six albums. ■ *Jay Hammond's Alaska* is brought to you by Alascom. ■ Airing on RATNET, Sunday, March 14, 6:30 PM.
