

Arts directory is revised

A revised POTENTIAL OUTLETS directory for Native American artists and craftsmen has just been issued by the Indian Arts and Crafts Board.

This directory lists names and addresses of firms that deal in Native American arts. The addresses are arranged alphabetically by town in each state or territory, so Native American artists and craftsmen who wish to expand their markets may easily choose those firms they wish to contact for possible sales.

This new edition of POTENTIAL OUTLETS is issued by the Board as an information service to Native American artists, craftsmen, and their organizations. They may obtain single copies from the Indian Arts and Crafts Board, U.S. Department of the Interior, Washington, D.C. 20240.
