Spend an evening getting to know the people and  
places that make the last frontier unique on Jay

# JAY HAMMOND'S

*Hammond's Alaska.* ■

# ALASKA.

This week Jay visits  
with Alaskans who've found ways to help others and

make a living doing what they love most. ■ You'll meet Sandy and Jerry Harper,

owners of Cyrano's Bookstore. They've turned one of Anchorage's earliest buildings

into a haven for book lovers, writers, local actors, and creative people of all sorts. ■

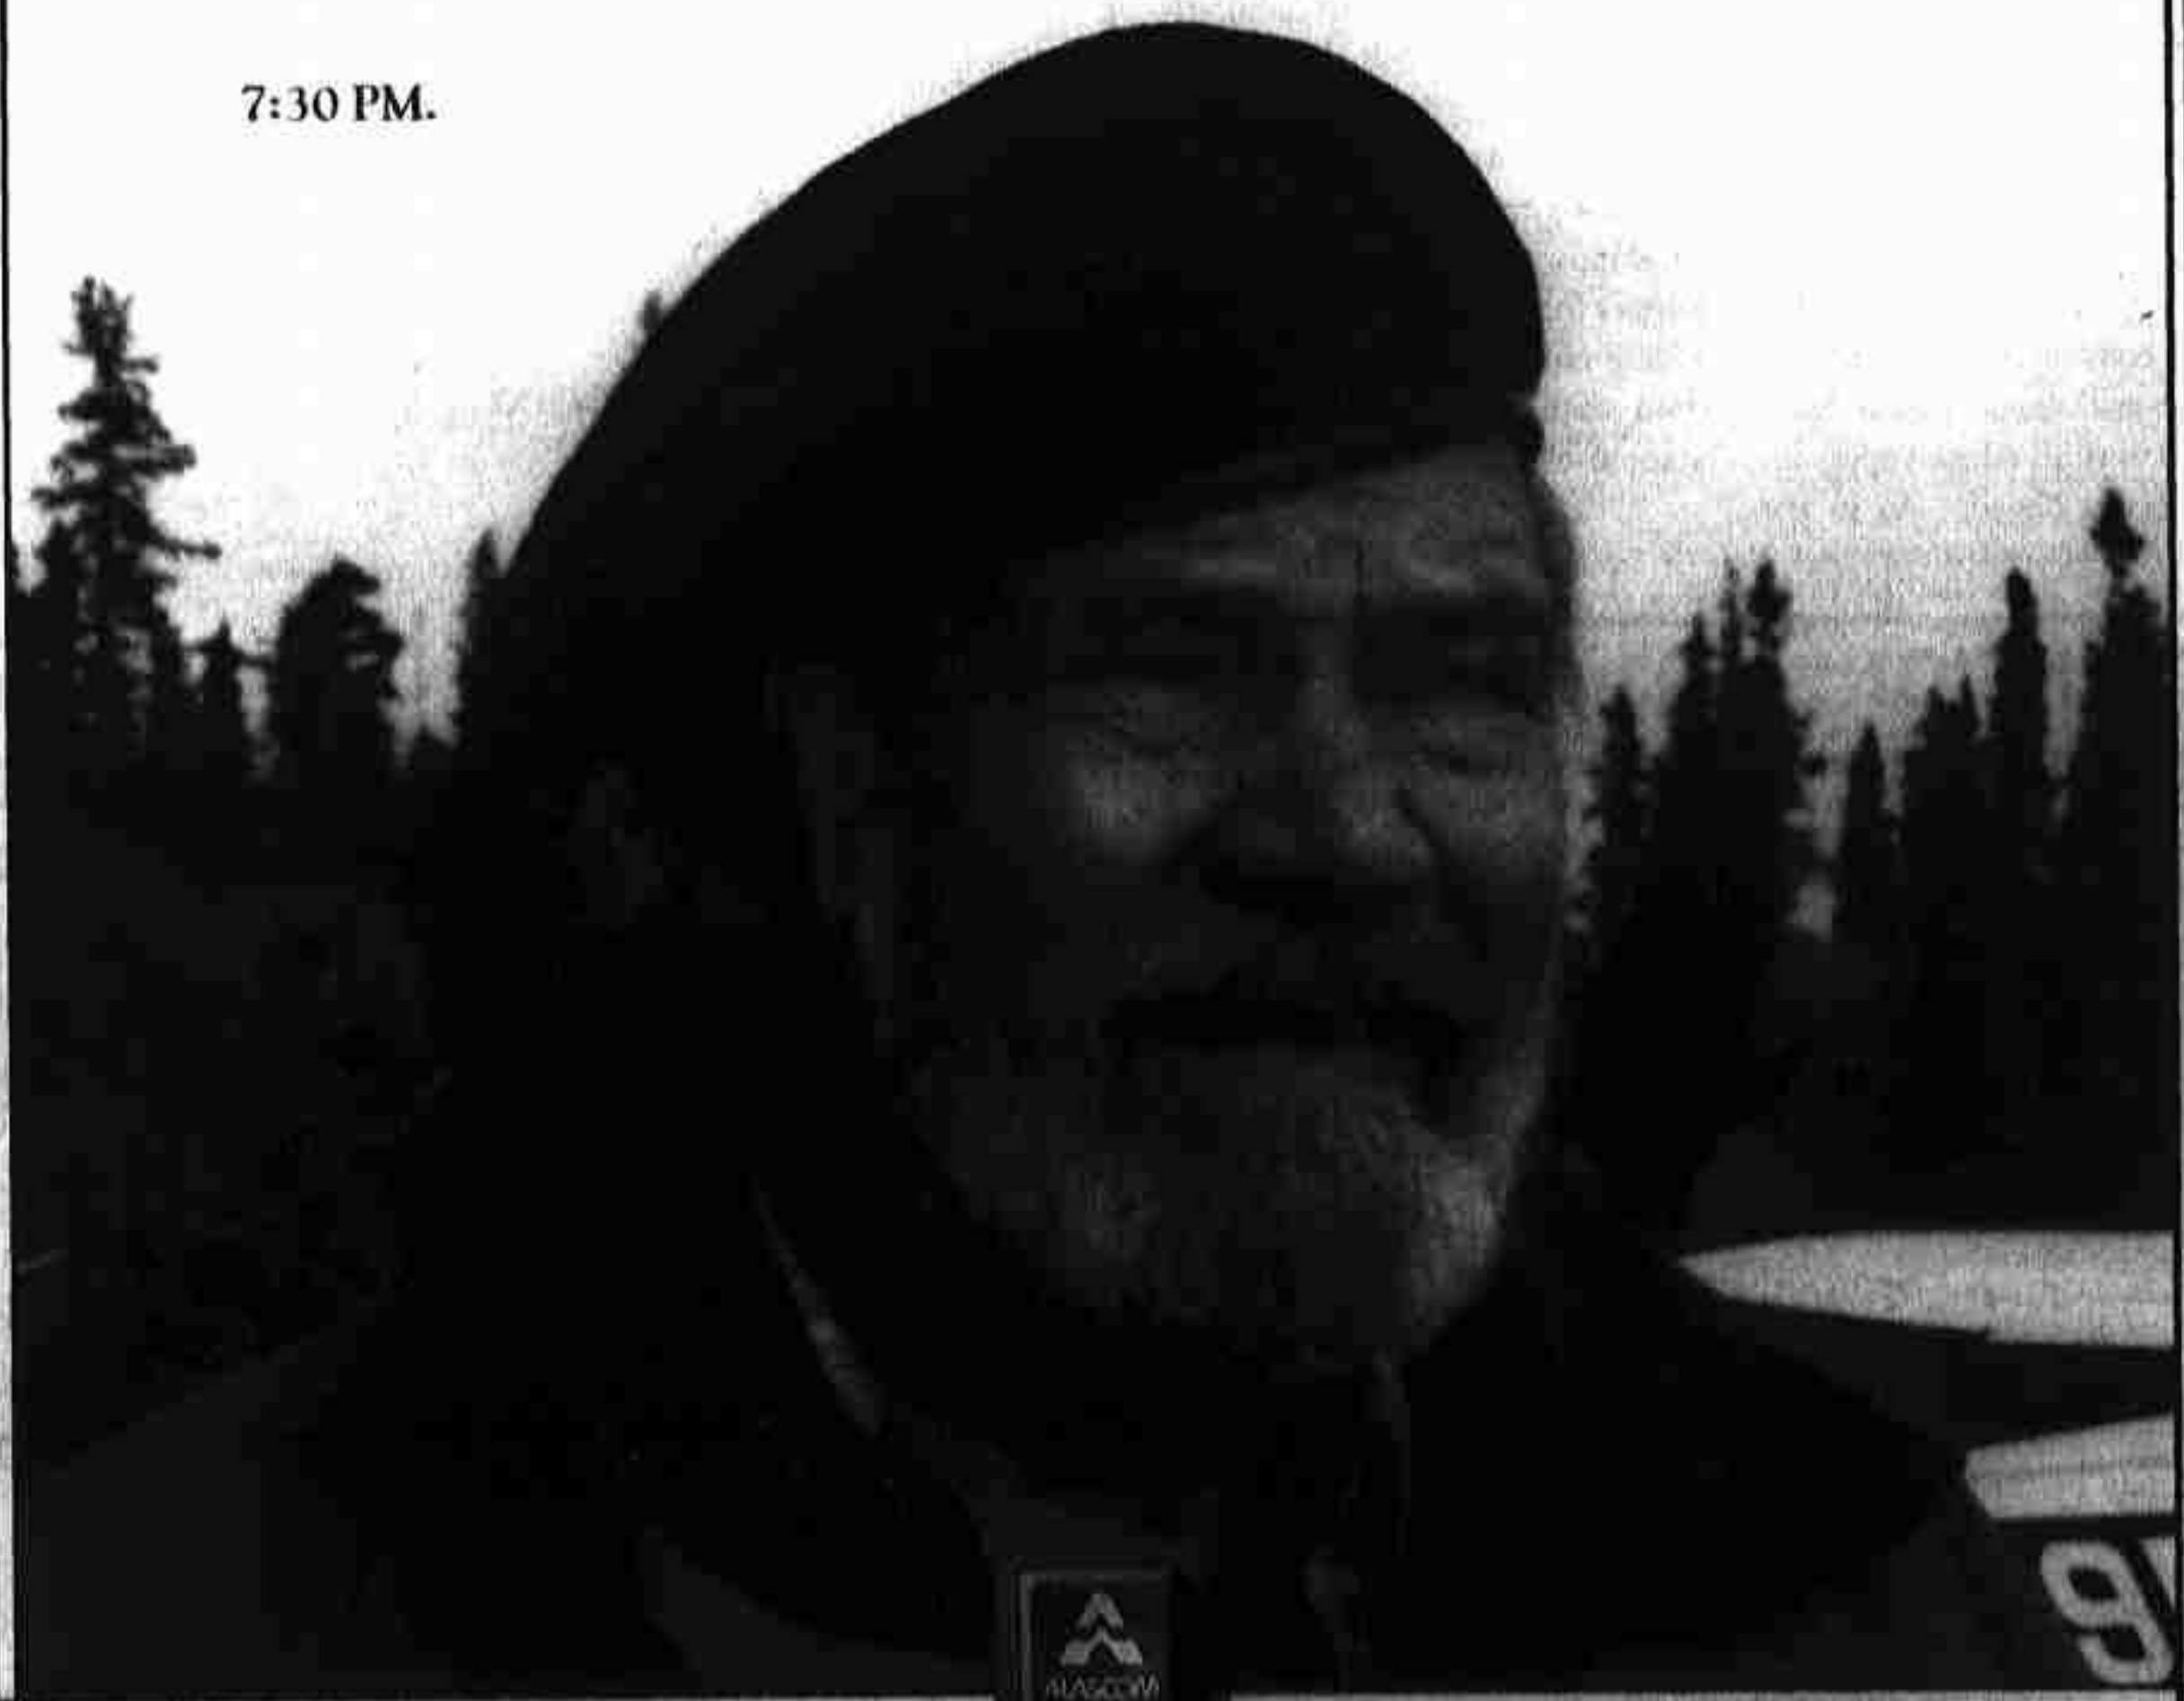

Jay will also introduce you to Mary Palmer, an avid mountaineer and personal fitness

buff who uses her knowledge and love of the outdoors to give Homer fourth- and

fifth-grade students an education that goes beyond the 3 R's. ■ Jay Hammond's

Alaska is brought to you by Alascom. ■ Airing on RATNET, Saturday, June 5,

7:30 PM.
