

Winter's cold is coming

*Snowing in the hills
the river freezes to ice
the first winter day*

—Lydia Jackson

*The ground gets icy cold
snow falls out of the blue sky,
The ocean has ice.*

—Tonia Sagoonick

*The leaves are falling
and the snow is coming close
tomcods are coming.*

—Isabelle Jackson

*Air is crisp and cold
hills with snow and willows shed,
water turns icy.*

—Calvin Paniptchuk

*The birds are going
the air is getting colder
tomcods are coming.*

—Lars Sookiayak

*Snow falls everywhere
it will chill up at winter.
snow cover the ground.*

—Kristal Sampson

*Mountains full of snow
rivers are turning to ice
roads are getting hard.*

—Priscilla Savetilik

*These Haiku were written by
Shaktoolik students and pub-
lished in The Wolverine Word,
the school newspaper.*
