Galena has split two games with McGrath the previous weekend in McGrath winning Friday, December 1 by the score of 63-48 only to fall victim to McGrath on Saturday 66-62. The recent surge by Galena gave the Night-hawks a 10 win and 5 loss record on the season.

In girl's action the Galena girls then concluded the week's action by outlasting Tanana on Saturday by the score of 26-19. The previous weekend at home Galena swept McGrath winning a close game on December 1 and overpowering McGrath on Saturday 40-30.

This coming weekend the Galena boys will host Unalakleet, while the girls travel to Unalakleet. We hope to provide individual scoring for those games.
