

Dedication and strength deserves praise

The *Tundra Times* would like to take this opportunity to thank Marilyn Richards for her dedicated support and strength in the rebirth of this newspaper. Her history with the paper allowed an important communication link to be revived.

Because of the restructuring of management and operations of the *Tundra Times*, publication dates will change temporarily. For the next two months, the *Tundra Times* will publish every other week. In July, we will once again publish on a weekly basis. Your patience and understanding is appreciated.

If you have experienced any difficulties in receiving your newspaper, please let our office know. Our database will be up and running at full capacity shortly.

If you have any suggestions on what you would like to see in the *Tundra Times*, feel free to drop us a line. And, of course, we are always looking for account representatives and stringers.
