DRIVE THIS CAR ALL DAY—

FREE

With Any Wien Fare to Seattle

No other airline offers lower fares than Wien — and now we're going even farther to save you money. Purchase any fare on Wien to Seattle and you can have one day's free use of a Chevy Chevette from National Car Rental. That's right — the first day is free.

If you'd like a vehicle other than a Chevette, your first day is still free, if you rent that vehicle longer than one day — and the additional days are at a special low rate*. This offer is not transferable, and you must use your rental car the day you arrive in Seattle. Just reserve it in advance, when you make your flight reservations.

Show your Wien passenger coupon and a major credit card at the National desk in Seattle, and you're on your way. You pay for gas and insurance and enjoy unlimited mileage. Of course, Wien's special offer is subject to the availability of cars, and all must be returned to the renting location.

Remember — offer good on any Wien fare to Seattle. So fly with Wien, and drive for free.

*Offer includes cars in classes A, B, C, D, and E.
Offer expires April 30, 1983.
