

NCAI plans awards banquet

The National Congress of American Indians is planning an Annual Awards Banquet scheduled for Jan. 26, 1983. This Awards Banquet is scheduled to coincide with NCAI's Executive Council meeting.

NCAI will honor individuals who have provided outstanding

service to American Indian people.

Last year's banquet was a great success that was attended by over 500 people.

NCAI is seeking sponsors for the Awards Banquet. Tribes or organizations can reserve a table for the banquet. The

cost is \$250 per table which will accommodate 10 people. Table sponsors will receive recognition at the Banquet.

Contact Julie Walker or Roanne Robinson, NCAI Administrator, for further information.
