

News from Public Assistance

We have been traveling to the villages to assist our Fee Agents and to see how things are doing. Susie Toovak was in Kaktovik, Marlene Graybeal was in Nuiqsut, and then Susie went to Anaktuvuk Pass October 19 - 23. We still have Wainwright and Pt. Lay to cover yet. The first week of October Marlene went to Fairbanks for AFDC (Aid to Families with Dependent Children) Training. Virginia Kasak was our former Fee Agent in Nuiqsut. She has worked very hard and she learned a lot, when she attended her training. We hate to lose our agents especially after we have seen them learn more step by step. We thank all our Fee Agents for doing such a good job.

Everyone, have a safe and happy holiday.
