

## **SUPPORT FOR THE TUNDRA TIMES**

We continue to face serious financial difficulties here at the newspaper, and our biggest problem is still attracting subscribers. We will be selling subscriptions at the AFN convention, and we hope anyone who can afford to pay \$20 for one year of the *Tundra Times* will do so.

We'll also be offering cups and special 25th anniversary booklets. The cups and booklets will each be sold for \$5.

We're particularly proud of the booklet, which will be on sale soon in the newspaper office in Anchorage, because the articles in it are written by friends and associates of our founder, Howard Rock. The booklet is a beautiful tribute to Howard Rock, whose dream was for a united Native community.

**The Tundra Times is 25 Years Old**
