FINAL DECISION
CONCERNING THE ELIGIBILITY
OF MANLEY HOT SPRINGS AS A
NATIVE VILLAGE FOR PURPOSES
OF ANCSA 1971 ACTION UPON
PROTEST

ADMINISTRATIVE
DETERMINATION

This is a written decision on protest filed pursuant to 43 CFR, Part 2650, by James S. Boa, et al., Manley Hot Springs, Alaska 99756, Barbara Strandberg and Harold Strandberg, 700 Gold Street, Apartment 6, Juneau, Alaska 99801, and Charles F. Herbert, Commissioner, Department of Natural Resources, State of Alaska, Pouch M, Juneau, Alaska 99801, hereinafter referred to as Protestants. The protest of James S. Boa, et al., was dated October 25, 1973, and received on October 29, 1973, by the Director, Juneau Area Office, Bureau of Indian Affairs. The protest of Barbara Strandberg and Harold Strandberg was dated October 22, 1973, and received on November 1, 1973, by the Director, Juneau Area Office, Bureau of Indian Affairs. The protest of Charles F. Herbert, Commissioner, Department of Natural Resources, State of Alaska, was dated November 2, 1973, by the Director, Juneau Area Office, Bureau of Indian Affairs.

Protestants James S. Boa, et al., object to the Native Village of Manley Hot Springs being added to the list of proposed eligible Native Villages. * * * on the basis of the 1970 Census plainly showing less than the required number * * *. Protestants Barbara Strandberg and Harold Strandberg state: "At the time of the 1970 census there were not more than 13 Natives, including children actually calling Manley their home." Protestants Charles F. Herbert, Commissioner, Department of Natural Resources, State of Alaska objects to the regulations and the method of their interpretation as they apply to the Native Village of Manley Hot Springs and certain other Native villages.

The Alaska Native Claims Settlement Act of December 18, 1971 (85 Stat. 688-716), and 43 CFR, Part 2650 provides for the settlement of certain land claims of Alaska Natives and for other purposes. Section 11 (b) (2) of the Act is quoted as follows: "Within two and one-half years from the date of enactment of this Act, the Secretary shall review all of the villages listed in subsection (b) (1) hereof, and a village shall not be eligible for land benefits under subsections 14 (a) and (b), and any withdrawal for such village shall expire, if the Secretary determines that —

Less than twenty-five Natives were residents of the village on the 1970 census enumeration date as shown by the census or OTHER EVIDENCE SATISFACTORY TO THE SECRETARY, who shall make findings of fact in each instance. * * * (Emphasis Ours)

The 1970 Census is not, therefore, the exclusive source of information for the determination of residency. Part 43h of Title 25 of the Code of Federal Regulations provides for the enrollment of the Natives. A main source of "other evidence satisfactory to the Secretary of the Interior" is the official enrollment which not only contains evidence of race but of residence (on the 1970 census date) as well.

Subpart 2651.2 of Title 43 CFR contains the authority for the Director, Juneau Area Office, Bureau of Indian Affairs, to act for the Secretary of the Interior in the determination of the eligibility of Natives for land benefit under the Act.

As of October 30, 1973, 42 Natives had been certified for enrollment in the Native Village of Manley Hot Springs. On May 18, 1973, a field investigation was completed of Manley Hot Springs and at that time 21 Natives who used the village for a period of time in 1970 had been certified for enrollment to this village. The 25 or more Natives who have been certified for enrollment to this village represent a majority of the residents of the village in 1970. It had on April 1, 1970, an identifiable physical location evidenced by occupancy consistent with the Natives' own cultural patterns and life style and at least thirteen Natives enrolled thereto have used the village during 1970 as a place where they actually lived for a period of time. The Director, Juneau Area Office, Bureau of Indian Affairs has examined and evaluated the protests together with his record of findings of fact and proposed decision, and does hereby render a decision determining that the Native Village of Manley Hot Springs, is eligible for land benefits under said Act.

The decision of the Director, Juneau Area Office, Bureau of Indian Affairs shall be published in the Federal Register and in one or more newspapers of general circulation in the State of Alaska and a copy of the decision and findings of fact upon which the decision is based shall be mailed to the affected village, all villages located in the region in which the affected village is located, all regional corporations within the State of Alaska, the State of Alaska, and any other party of record. Such decision shall become final unless appealed to the Secretary of the Interior by a notice filed with the Ad Hoc Board as established in Section 2651.2 (a) (5) of Title 43 CFR, within thirty days of its publication in the Federal Register. Appellants shall have not more than 15 days from the date of receipt of his notice of appeal within which to file an appeal brief, and the opposing parties shall have not more than 15 days from the date of receipt of the appellant's brief within which to file an answering brief. No more than 15 days shall be allowed for the filing of additional briefs in connection with such appeals. All hearings held in connection with such appeals shall be conducted in the State of Alaska. The decision of the Ad Hoc Board shall be submitted to the Secretary of the Interior for his personal approval.

FINAL DECISION
CONCERNING THE ELIGIBILITY
OF SALAMATOF AS A NATIVE
VILLAGE FOR PURPOSES OF
ANCSA 1971 ACTION UPON
PROTEST

ADMINISTRATIVE
DETERMINATION

This is a written decision on a protest filed pursuant to 43 CFR, Part 2650 by Gordon W. Watson, Area Director, Bureau of Sport Fisheries and Wildlife, Alaska Area Office, 813 D Street, Anchorage, Alaska 99501, hereinafter referred to as Protestant. The protest was dated October 30, 1973, and it was received on November 1, 1973, by the Director, Juneau Area Office, Bureau of Indian Affairs.

Protestant states that "We contend that neither the identifiable physical location of Salamatof nor the minimum residence requirements in relation to an identifiable physical village location have been established. The village of Salamatof, therefore, does not qualify for eligibility under the terms of the Act."

The Alaska Native Claims Settlement Act of December 18, 1971 (85 Stat. 688-716), and 43 CFR, Part 2650 provides for the settlement of certain land claims of Alaska Natives and for other purposes. Section 11 (b) (2) of the Act is quoted as follows: "Within two and one-half years from the date of enactment of this Act, the Secretary shall review all of the villages listed in subsection (b) (1) hereof, and a village shall not be eligible for land benefits under subsection 14 (a) and (b), and any withdrawal for such village shall expire, if the Secretary determines that —

Less than twenty-five Natives were residents of the village on the 1970 census enumeration date as shown by the census or OTHER EVIDENCE SATISFACTORY TO THE SECRETARY, who shall make findings of fact in each instance. * * * (Emphasis Ours)

The 1970 Census is not, therefore, the exclusive source of information for the determination of residency. Part 43h of Title 25 of the Code of Federal Regulations provides for the enrollment of the Natives. A main source of "other evidence satisfactory to the Secretary of the Interior" is the official enrollment which not only contains evidence of race but of residence (on the 1970 census date) as well.

Subpart 2651.2 of Title CFR contains the authority for the Director, Juneau Area Office, Bureau of Indian Affairs, to act for the Secretary of the Interior in the determination of the eligibility of Natives for land benefits under the Act.

As of October 30, 1973, 142 Natives had been certified for enrollment in the Native Village of Salamatof. On July 30, 1973 a field investigation was completed of Salamatof and at that time fourteen Natives who used the village for a period of time in 1970 had been certified for enrollment to this village. The 25 or more Natives who have been certified for enrollment to Salamatof represent a majority of the residents of the village in 1970. It had on April 1, 1970, an identifiable physical location evidenced by occupancy consistent with the Natives' own cultural patterns and life style and at least thirteen Natives enrolled thereto have used the village during 1970 as a place where they actually lived for a period of time.

The Director, Juneau Area Office, Bureau of Indian Affairs, has examined and evaluated the protest, together with his record of findings of fact and proposed decision and does hereby render a decision determining that the Native Village of Salamatof is eligible for land benefits under said Act.

The decision of the Director, Juneau Area Office, Bureau of Indian Affairs, shall be published in the Federal Register and in one or more newspapers of general circulation in the State of Alaska and a copy of the decision and findings of fact upon which the decision is based shall be mailed to the affected village, all villages located in the region in which the affected village is located, all regional corporations within the State of Alaska, and any other party of record. Such decision shall become final unless appealed to the Secretary of the Interior by a notice filed with the Ad Hoc Board as established in Section 2651.2 (a) (5) of Title 43 CFR, within thirty days of its publication in the Federal Register.

Appellant shall have not more than 15 days from the date of filing of his notice of appeal within which to file an appeal brief, and the opposing parties shall have not more than 15 days from the date of receipt of the appellant's brief within which to file an answering brief. Not more than 15 days shall be allowed for the filing of additional briefs in connection with such appeals shall be conducted in the State of Alaska. The decision of the Ad Hoc Board shall be submitted to the Secretary of the Interior for his personal approval.
