THE ALASKAN AIRLINE WITH THE WORLDWIDE OUTLOOK

Alaska International Air grew up in Alaska. But even though we've now reached the point where our Hercules Airfreighters regularly visit virtually all points of the globe, Alaska's still our home. It always will be.

Fly Now, play later.

Your off season business trip or vacation can cost you an average of 15% less if you fly now and play later on your Alaska Marine Highway. End your trip Outside in style on our roomy, comfortable ferryliners. It's a perfect way to unwind, because you can relax and enjoy the comforts of ship travel all the way from

Seattle to Juneau and then fly home. Discover Alaska the easy way, from our heated stateroom lounges. Take advantage of our no charge stopovers in historic Alaskan towns and cities, too. Stay awhile. Another ferry will be along in no time. From October 1st through March 31st, whether you choose to fly one way, or travel the Inside Passage round trip

from Juneau, your first and second off season rates just as attractive as the Saturday or Sunday you'll see on your cruise. From Fairbanks, fly out and sail back for as little as \$274.93* including single berth. For more information or reservations, contact your travel agent or write the Marine Highway office.

*Price depends upon vessel and availability of berths.
