

Planning Grants

JUNEAU — Commissioner Byron I. Mallott of the Department of Community and Regional Affairs recently announced the award of a planning grant to the City of Delta Junction.

The grant will be used to fund preparation of base maps illustrating land use patterns and features to assist in planning for future land uses and city development.

Delta Junction, which lies within the trans-Alaska pipeline corridor at the junction of the Alaska and Richardson highways, will be significantly affected by pipeline construction and related activities.

Mallott also announced award of a planning grant to the City of Shishmaref to assess the need and feasibility of proposed community relocation.
