AA-6704-A AA-6704-B

Alaska Native Claims Selection

On March 11, 1974 and July 24, 1974, Tazlina, Incorporated, for the Native village of Tazlina, filed selection applications AA-6704-A and AA-6704-B under the provisions of

Sec. 12 of the Alaska Native Claims Settlement Act of December 18, 1971 (85 Stat. 680; 701: 43 U.S.C. 1601, 1611 s (1976)) (ANCSA), for the surface estate of certain lands in the vicinity of Glenallen.

The village corporation selected lands which were withdrawn by Secs. 11(a)(1) and 11(a)(2) of ANCSA. Section 11(a)(2) specifically withdrew, subject to valid existing rights, all lands within the townships withdrawn by Sec. 11(a)(1) that had been selected by, or tentatively approved to, but not yet patented to the State of Alaska under the Alaska Statehood Act of July 7, 1958 (72 Stat. 339, 340; 48 U.S.C. Ch. 2, Sec. 6(b) (1976)).

Section 12(a)(1) of ANCSA provides that village selections shall be made from lands withdrawn by Sec. 11(a). Section 12(a)(1) further provides that no village may select more than 69,120 acres from lands withdrawn by Sec. 11(a)(2).

The following described lands which are State selected have been properly selected under village selection applications AA-6704-A and AA-6704-B. Accordingly, tentative approvals are hereby rescinded and the State selection applications identified below are rejected as to the following described lands:

State selection A-051380 filed on March 9, 1960, as amended.

Containing 2,520.12 acres.

Those portions of Tract A, more particularly described as (protracted):

Containing approximately 8,330 acres.

Of the above described lands, approximately 6,370 acres were tentatively approved June 10, 1964 and November 22, 1965, as modified.

State selection A-056781, filed March 20, 1962, as amended.

T. 4 N., R. 2 W., Copper River Meridian (Surveyed)
Sec. 24, Lots 18, 40, 43, 44, 45, 48, 49, 50, 51, 52, 54, 55, 56, 57, 58, 59, 70, NW¼S½;

Sec. 19, excluding U.S. Survey 4596 and U.S. Survey 5508.

Containing approximately 10,063 acres.

Tract B, excluding Native allotment application AA-5967.
Containing approximately 3,820 acres.

State selection AA-4800, filed December 16, 1968, as amended.

T. 4 N., R. 3 W., Copper River Meridian (Unsurveyed)
Sec. 31, all.

Containing approximately 607 acres.

Of the above described lands, approximately 10,978 acres were tentatively approved June 4, 1964, as modified.

The State-selected lands described below, however, are not valid selections and the acreage will not be charged against the village corporation as State-selected lands.

On June 16, 1972, the State of Alaska amended selection A-051380, and A-056786 to include additional lands. The lands described below were withdrawn for Native selection by Sec. 11(a)(1) of ANCSA on December 18, 1971 and therefore

were not available for selection by the State of Alaska. In view of this, the State selection applications identified below are hereby rejected as to the following described lands:

Copper River Meridian (Surveyed)

State selection A-051380

T. 3 N., R. 1 W.
Sec. 35, Lot 2;
Sec. 36, Lot 12.

Containing 222.52 acres.

State selection A-056786

Containing 37.68 acres.

State selection A-056781

T. 4 N., R. 2 W.
Sec. 23, E½NE¼SE¼.

Containing 20 acres.

On December 16, 1968, the State filed general purposes grant selection applications AA-4799, AA-4800, AA-4808 and AA-4809. These selection applications are also rejected as to the lands selected by Tazlina, Public Land Order 4582, dated January 17, 1969, withdrew "all public lands in Alaska which are unreserved or which would otherwise become unreserved..." from all forms of appropriation and disposition under the public land laws... including selection by the State of Alaska pursuant to the Alaska Statehood Act (72 Stat. 339)..." This reservation became effective prior to the date the selection applications were filed, when the telegram notifying the Alaska State Office of the proposed withdrawal was received on December 12, 1968, and the records were noted.

Paragraph 4 of P.L.O. 4582 permitted the State to complete its selection of lands which at the time of such filing were embraced in leases, licenses, permits, or contracts issued pursuant to the Mineral Leasing Act of 1920 or the Alaska Coal Leasing Act of 1914..."

Since there were no mineral leases, etc., on December 16, 1968, on any of the lands described below in State selection applications AA-4799, AA-4800, AA-4808 and AA-4809 as to the lands selected by Tazlina, none of those lands were available for State selection. Section 6(b) of the Alaska Statehood Act provides that the lands selected must be public lands which are "...vacant, unappropriated, and unreserved AT THE TIME OF THEIR SELECTION..." (Emphasis added.) Therefore the selection applications must be and are hereby rejected as to the following described lands:

Copper River Meridian (Surveyed)

State Selection AA-4799

Those portions more particularly described as (protracted):

Secs. 31 to 36, inclusive.

Secs. 1 to 16, inclusive;
Secs. 21 to 25, inclusive;
Containing approximately 13,378 acres.

State Selection AA-4809

T. 3 N., R. 3 W.,
Those portions more particularly described as (protracted):
Secs. 1 to 8 inclusive;
Secs. 17, 18, 19, 30 and 31, all;
Containing approximately 8,157 acres.

State Selection AA-4800

T. 4 N., R. 3 W.,
Those portions of Tract A more particularly described as (protracted):
Secs. 11 to 30, inclusive;
Secs. 32 to 36, inclusive.

The State selected lands rejected above aggregate approximately 69,003 acres; however, 41,330 acres of State selection A-056786, A-05781, AA-051380, AA-4799, AA-4800, AA-4808 and AA-4809 were not valid selections and will not be charged against the village corporation as State selected lands. Further action on the subject State selection applications as to those lands not rejected herein will be taken at a later date.

The total amount of lands which have been properly selected by the State, including any selection applications previously rejected to permit conveyances to Tazlina, Incorporated is approximately 27,673 acres, which is less than the 69,120 acres permitted by Sec. 12(a)(1) of ANCSA.

As to the lands described below, the applications, as amended, are properly filed and meet the requirements of the Alaska Native Claims Settlement Act and of the regulations issued pursuant thereto. These lands do not include any lawful entry perfected under or being maintained in compliance with laws leading to acquisition of title.

In view of the foregoing, the surface estate of the following described lands, selected pursuant to Sec. 12(a) of ANCSA, aggregating approximately 77,437 acres, is considered proper for acquisition by Tazlina, Incorporated and is hereby approved for conveyance pursuant to Sec. 14(a) of ANCSA:
