We've given value a good name in Anchorage.

Visit the Westmark Inn/Third Avenue (formerly the Anchorage Travelodge) during the Alaska Federation of Natives Convention in October and you'll find we've made a few changes. Like a complete renovation of the rooms and a new dedication to customer satisfaction. But the thing that will impress you more than the new paint, new carpet, new furniture and new name . . . is the old price.

We're located close to the Egan Convention Center and provide complimentary airport transportation for our guests. And don't forget, you always receive valuable Alaska Airlines Gold Coast Travel Miles with every stay at Westmark.
