**"I never dreamed cocaine could become anything
more than a good time at parties."**

"I thought cocaine was the ultimate high. The truth is, two
out of three of us who use cocaine will become addicts
... and I did. Today, through treatment, I've become high
on life. I no longer need chemicals to change my world.
I love my world.

Find the courage to ask for help. Please ... call us now.
Help us help you."
