Spend an evening getting to know the people and

places that make the last frontier unique on Jay

JAY HAMMOND'S

Hammond's Alaska. ■

Follow Jay to the village of Savoonga on St. Lawrence

ALASKA.

Island, where the people combine the traditions of their

Siberian Eskimo ancestors with the comforts of the modern world to create a unique

lifestyle. You'll see how this cultural mix has built a foundation of understanding and

respect between generations. ■ Then Jay and his wife Bella visit with acclaimed

Alaskan artist Rie Muñoz. Meet this fascinating woman, and discover how the bright

colors and whimsical nature of her work are a reflection of her own personality. She

and the Hammonds will also guide you to one of her favorite spots— Tenakee Hot

Springs. ■ *Jay Hammond's Alaska* is brought to you by Alascom. ■ Airs on

the Rural Alaskan Television Network, Sunday, January 31, 6:30 PM.

Think of it as
a Bullet on Skis.

INDY 500 EFI. One look, and you know this sled is loaded. Its fuel-injected, liquid-cooled, 500 powerplant blows the competition away. And all that white-knuckle power is turned into a smooth-as-silk ride with Independent Front Suspension (IFS) and new Improved Transfer (ITS) rear suspension. Don't wait!! Shoot on in instead.
