

# **Lunch Kitchens To Be Built In 32 Schools**

**JUNEAU**—Hot lunch kitchens will be installed in 32 rural schools as a result of recent contract awards the office of Governor Keith H. Miller announced.

A \$164,630 contract for construction of kitchens at Aleknagik, Kobuk, Nikolai, Ekwok, Ohgsenakale, Aniak, Ekuk, Stony River, Levelock and Chuaithbuluk went to Penney Sales Inc., of Anchorage.

These units are aboard barges en route to ports in the Bering and Chukchi Seas.

Another contract for \$322,303 went to Alaska Plumbing and Heating Co., Inc., of Anchorage.

This contract provides for the construction of kitchens in schools at Kokhanok, Pitkas Point, Russian Mission, Anvik, Fortuna Ledge, Pedro Bay, Ivanof Bay, Platinum, Clarks Point, False Pass, Nelson Lagoon, Holy Cross, Anaktuvuk Pass, Mentasta Lake, Minto, Chistochina, Koyukuk, Gakona, Dot Lake, Kennx Lake, Northway, Healy, and in a training unit to be located at the Department of Education offices in Anchorage.

The kitchens are scheduled for installation in all schools during the coming school term.
