Equipment Mobilization

In a letter to Tom Mercer, Regional Director of the Office of Economic Opportunity, Northwest Region X, Governor Keith H. Miller announced his approval of Rural CAP's Village Equipment Mobilization Program.

In his letter, Governor Miller stated, "I am pleased to see the

coordination and cooperation shown with this grant between the various State and private agencies and am enthusiastic about a cooperative approach of this nature."

This program will allow Rural CAP to considerably expand its efforts in providing equip-

ment in ru

Rural development setting pri several and where the needed and most effective poverty in
