NOTICE OF DEADLINE FOR ANNEXATION AND INCORPORATION PETITIONS

Cities, boroughs and unified municipalities which are planning to seek annexations requiring review by the 1990 legislature [AS 29.06.040(b)] are encouraged to submit petitions no later than June 1, 1989. This will help to ensure that the Department of Community and Regional Affairs and the Local Boundary Commission have adequate opportunity to process petitions in time to allow possible recommendations on proposed annexations to be submitted to the 1990 legislature.

Residents of unincorporated areas contemplating a petition for the formation of a city or borough to counter plans to annex areas to existing cities or boroughs (and who wish to have the incorporation petition considered concurrently with an annexation petition) are also encouraged to submit petitions for incorporation by June 1, 1989.

It is unlikely that annexation petitions received after the deadline will be processed in time for possible submission to the 1990 legislature. It is also possible that incorporation petitions received after the deadline may not be processed concurrently with competing annexation petitions.

Questions and requests for further information should be directed to Dan Bockhorst, Department of Community and Region Affairs, 449 East 36th Avenue (Room 405), Anchorage, Alaska 99508 (telephone 561-8586).
