LEGAL NOTICE

INVITATION FOR BIDS STATE OF ALASKA DEPARTMENT OF HIGHWAYS

Sealed bids in single copy for furnishing all labor, materials and equipment and performing all work on Project G-40022 and G-40032, Grayling and Anvik Local Access Roads described herein, will be received until 2:00 p.m., prevailing time, June 1, 1972 in the Commissioner's Office, Department of Highways, Island Center Building, Douglas, Alaska.

This project will consist of grading and drainage of 5,700 linear feet of roadway at Grayling and 3,500 linear feet at Anvik. The work is located in the towns of Grayling and Anvik, Alaska, located on the Yukon River. Principal items of work consist of the following: 15,500 cubic yards of Selected Material; 38 linear feet of 36" Corrugated Steel Pipe; 30 linear feet of 48" Corrugated Steel Pipe; and miscellaneous items of work.

All work shall be completed in 60 Calendar days.
Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief Design Engineer, P.O. Box 1467, Juneau, Alaska 99801. Plans may be examined at Department of Highway Offices in Anchorage, Fairbanks, Valdez.

B. A. Campbell
Commissioner of Highways

Publish May 17 and 24, 1972.

has a white lady for a cook. She is a good cook, but when she makes doughnuts she makes them fat and big. My father likes her cooking.

She talks kind of different and has kind of blond hair.

She is going until they stop whaling because she likes it here at the whaling camp.

Esther Kingik is showing how to make duck soup and doughnuts. This time she says she's going to make better doughnuts.

She hates to go home alright, but she has to go back and work at Fairbanks.

EDITOR'S NOTE: Elizabeth Nash is writing about Lael Morgan who recently stayed at Point Hope. Lael went out on the ice and stayed at the whaling camp of Captain Bernard Nash and helped cook for the crew.

EQUAL HOUSING OPPORTUNITY

INVITATION FOR PROPOSALS

May 4, 1972

The Alaska State Housing Authority will receive proposals at the below specified address under the Turnkey method for development of thirty (30) units of housing for low income families in the village of Gambell, Alaska. Proposals will be received by Mr. Mike Dozette, Project Director, Housing Department, Alaska Federation of Natives, Inc., 1675 "C" Street, Anchorage, Ak, 99501, until 2 p.m., ADT, May 25, 1972; and then at said office, publicly opened and read aloud. Proposals will not be opened prior to the above set time.

Instructions to Developers, Conditions, Specifications and Plans are provided in the Developer's Handbook. The Developer's Handbook may be obtained from the Alaska Federation of Natives upon request and payment of \$50,000, which sum will not be refunded.

This is a Department of Housing and Urban Development funded program requiring compliance with Davis-Bacon wage rates, Title 6 of the Civil Rights Act, Executive Order 11246, as amended by 11375, and all other equal opportunity provisions required by the Department of Housing and Urban Development.

Each proposal must be accompanied by a certified or bank cashier's check, or by a bid bond, in an amount not less than ten per cent (10%) of the proposed price, made payable to the Alaska State Housing Authority. The additional bonding requirements for the successful Developer are contained in the Developer's Handbook.

Interested Developers may receive additional information by contacting the Alaska Federation of Natives or the Alaska State Housing Authority.

She is the winner of the Alicia Patterson Fund award and is presently on leave of absence from the Tundra Times.)

LEGAL NOTICE

INVITATION FOR BIDS STATE OF ALASKA DEPARTMENT OF HIGHWAYS

Sealed bids in single copy for furnishing equipment rental and labor rates, and performing all work at the specified rates under Extra and Force Account work, on Project G50022, O'Brien Creek Access Road, described herein, will be received until 2:00 p.m., prevailing time, June 1, 1972, in the Commissioner's Office, Island Center Bldg, Douglas, Alaska. Equipment rental and labor rates and for mobilization thereof, are being called for on the following items:

Item No. 110(1) - Lump Sum - Mobilization.
Item No. 109 (1) - One - Equipment (D-8h(46A) class or equivalent, with tilting U-Blade
Item No. 109(2) - One - Equipment: Wagon Drill - Crawler with 4" drill, swing boom (rental includes drill steel bits - 3 inch bits and incidentals)
Item No. 109(3) - One - Portable Air Compressor - 365 to 600 CFM @ 100 psi: (rental includes pipe, hose and couplings)
Item No. 109(4) - One - Equipment: Wheel Loader - diesel engine with 5 to 6 cu. yd. bucket
Item No. 109(5) - Two - Equipment: Rear Dump - 10 Cubic yard truck (will be required to haul rock)

These rates will include operators' wages, including all support labor required by union agreements, subsistence, overhead and all fringe benefits, together with fuel, lubrication, repairs maintenance, insurance, taxes and other charges necessary to keep the equipment in good operating condition. These rates shall be paid for the period the equipment is actually working on the job site. Moving costs, or any period of time lost or delays caused by breakdown or defective equipment will not be paid for by the State. No standby time will be paid.

Item No. 109(6) - One - Labor: General Foreman
Item No. 109(7) - One - Labor: Powder man (with Blasting License and to run the drill)
Item No. 109(8) - One - Labor: Driller's Helper

This project will include the construction of certain areas between Chitina and O'Brien Creek as directed by State personnel. The State will furnish the explosives plus all materials not listed. Labor for these operations will be at the bid price per hour. The hourly rate to include overtime, all fringe benefits, subsistence, overhead and miscellaneous hand tools.

The proposal should include the owner's name and address, the hourly rate, the make and model of the equipment offered, and the location where it may be inspected.

Project No. - G-50022
Location - Chitina to O'Brien Creek

Starting date of project and quantities of work available are subject to final approval. Award will be made on the basis of age and condition of equipment, as well as the hourly rate. The Contractor will be required to have all equipment and labor forces ready to work on the project site within thirty days after the Notice to Proceed.

Plans and specifications may be obtained by all who have a bona fide need for them for bidding purposes from the Chief Design Engineer, P.O. Box 1467, Juneau, Alaska 99801. Plans may be examined at Department of Highway Offices in Anchorage, Fairbanks, Valdez.
