**FINALLY.
AN 80CC
BIKE WITH
SOME GUTS.**

Take the ST80. It has the guttiest 80cc engine on the market, yet it handles like a lightweight, safe and easy. How big is it? Big enough to fly up a 13,000 foot mountain with a 200-pounder aboard.

**Bill St.Claire wrestles
with some pretty
unweighty problems.**

Bill St. Claire doesn't wrestle anymore, but he knows its value because from his early youth right up through college he wrestled competitively. Bill and the others in the Anchorage Kiwanis Club know the fun of competition among youth and believe it's valuable in the development of young minds and bodies. That's why Bill and his fellow Kiwanians devote many of their weekends to programs such as their wrestling tournaments for kids. During the week, Bill wrestles more weighty problems helping Atlantic Richfield's exploration and production in Alaska.
