

## BOOTSTRAPS of America, Inc.

*People Helping People  
Help Themselves*

BOOTSTRAPS of America, Inc. is a private nonprofit corporation providing free, self-paced training in computerized office procedures for no- and low-income individuals. We assist those who are interested in "pulling themselves up" while breaking or avoiding the welfare cycle. We are a benefit to our cities, state and nation economically, and in crime prevention.

BOOTSTRAPS is primarily supported by individual and corporate contributions and receives no state or federal funds.

Please invest a tax-deductible donation in this very worthwhile organization. Your contribution will help provide hope, dignity, independence and a real future for a countless number of families.

## PUBLIC MEETING Allocation of Permits for Federal Subsistence Muskox Season in Portions of Units 22 and 23

**Joint Meeting of the Northwest Arctic and Seward Peninsula  
Federal Subsistence Regional Advisory Councils  
Alaska Technical Center, Kotzebue  
July 6 - 7, 1995 (beginning at 10 a.m. on July 6)**

### Topic:

How should federal registration permits be allocated among eligible communities for a September 1, 1995, to January 31, 1996, bulls-only subsistence muskox season on federal public lands in Units 22 and 23?

Permits available: Unit 22(D), 12 permits; Unit 22(E), 6 permits; Unit 23 (that portion west of and including the Buckland River drainage), 7 permits
