

WEIO scholarship announced

Through the efforts of World Eskimo-Indian Olympics Board member, Daphene Gustafson, a scholarship was approved by the Tanana Valley Community College Council to be awarded to a female participant in the 1985 World Eskimo-Indian Olympics. The scholarship, to be called the Emily Ivanoff Brown Leadership Scholarship, is a one-year tuition

grant at Tanana Valley Community College. The award would be renewable by the college for an additional year given acceptable performance on the part of the grantee.

The World Eskimo-Indian Olympics Board expresses their thanks to TVCC for their generosity.
