"Where the Best Costs No More"

8th and Noble 456-7722

Perhaps we're jumping the gun a bit but we think it is not too early to start thinking about making a list of relatives and friends, sweethearts, ex-wives and ex-husbands, and plan to send them a Christmas gift. A most satisfying gift would be a subscription to the:

TUNDRA TIMES - ONLY \$8.00 PER YEAR

Roads To Go Somewhere . . .

Wally Hickel has pledged action on roads in Alaska . . . action to start and complete roads on a priority basis, and then to maintain the roads as they should be.

Wally Hickel has proposed a dust-free road to Alaska from the Pacific Northwest, and he has pledged to get it done.

Progress on roads could have and should have been done before — it can be done with new leadership in the state administration.

Get action on roads in Alaska — Vote for the positive program for progress of Wally Hickel.

There is a better way to run this state!
