

# Scout-O-Rama

WHAT IS A SCOUT-O-RAMA? It's a booth-type show where Cubs, Scouts and Explorers demonstrate the skills and features of their program for the public. It's the handbook laid open for all to view.

It's excited boys showing parents, neighbors, and the public the adventure of the Scouting Program. It is the thrill of a lifetime for the boys who have an opportunity to participate.

Ticket sales began last Monday, March 19 and will continue until the show on April 28, at the Alaskaland Civic Center.
