

Hearings on Revenue Sharing Program

JUNEAU — Hearings on the adoption of proposed regulations to govern the Alaska Municipal Services Revenue Sharing Program will be held by the Department of Community and Regional Affairs in seven communities throughout the State.

Commissioner Byron Mallott announced the hearings, to be held the week of April 27 through May 3 in Kodiak, Bethel, Anchorage, Kotzebue, Juneau, Nome and Fairbanks.

Commissioner Mallott said that notices will be published as to the time and place of the hearing in each community.

Copies of the Department's proposed regulations also will be sent to each local government in the State. Mallott said that in Fiscal Year 1973 114 local governments received \$7,778,000 under the State's Revenue Sharing Program and that the new regulations were designed to allow a more efficient and equitable administration of that important program.
