INVEST IN A LITTLE SPARE ROOM

If you need more than a room or two, look into two or more homes under the same roof.

A HUD Homes duplex, triplex or fourplex may be the answer for keeping the family close. If the folks are retired, they can live independently and still be right next door. Kids just married or going to college? What a better way to help them without having them actually "live at home."

You can even turn the extra space into extra income.

Put the right roof over your head. Your real estate agent will show you a HUD Homes property that fits your family, and a low down payment program to fit your budget.
