Cape St. Elias

another powerful masterpiece by the legendary Sydney Laurence

The National Bank of Alaska brings Alaskans another in the series of great Sydney Laurence color reproductions — Cape Saint Elias. The scene depicts the Gulf of Alaska coast southeast of Cordova as God left it in the beginning — vast, raw spires swept by scudding spray and drenched by clouds. You can hear the lost crying of the gulls in this tremendous seascape.

Cape Saint Elias is yours when you open or add to your NBA savings account. \$250.00 for one print, \$500.00 for two, or when you purchase an NBA Certificate of Deposit for \$500.00. Limit, two prints per customer. Hurry!

Cape Saint Elias is our gift to you. This tremendous color print is in a limited edition, ready for framing and without advertising. Drop by your NBA branch today, ANY NBA BRANCH.
