

ALASKAN CRAFTSMEN

The State of Alaska is launching an advertising campaign all over the U.S. to inform both Alaskans and visitors about the made-in-Alaska guarantee on hand-crafted items.

Craftsmen are urged to place the stickers or tags on their crafts before selling to wholesalers or retail shops.

Please write to get a supply to identify **your** work as made here in Alaska. Stickers and Tags in small quantities are offered free to eligible craftsmen.
