This is to notify you that:

1. Effective July 12, 1989, the Superior Court for the Third Judicial District, State of Alaska, entered an Order placing Pacific Marine Insurance Company of Alaska (PACAK) in liquidation. Under the terms of this order and the provisions of the Alaska Insurance Code, the Receiver for PACAK was authorized to take possession of all assets and property of the company and to liquidate its business and affairs.

2. The rights and liabilities of PACAK and of its creditors, policyholders, stockholders, and all other persons interested in its estate are fixed as of the date of the entry of the Order.

3. All policies of insurance issued by PACAK are cancelled effective 11:59 p.m. August 11, 1989, unless expired, replaced or otherwise terminated at an earlier date.

4. Effective July 12, 1989, the Receiver has been directed by court order to discontinue and terminate the defense of all suits in which PACAK's insureds are parties or PACAK is a named party on behalf of the insured. If the claim is not covered by an insurance guaranty fund, the insured is advised to retain an attorney of his choice at his own expense. The insured may make a claim for the reasonable costs and attorney's fees incurred in the defense of a claim.

5. All persons are enjoined from commencing or prosecuting any action, obtaining preferences, judgments, attachments, or other liens, or the making of any levy against PACAK or its Receiver or its assets or any part thereof except in and with the leave of the Superior Court for the Third Judicial District at Anchorage, Alaska.

In such cases in words "contingent or undetermined" should be written on the proof of claim form submitted.

9. Most states have insurance guaranty funds from which certain covered policyholder claims may be paid upon the liquidation of an insurance company. Claims which may be covered under an insurance guaranty fund will be forwarded by the Receiver to the appropriate guaranty fund for processing. Any claim not covered by a guaranty fund will remain a claim in these liquidation proceedings.

**NOTICE OF PROPOSED CHANGES  
IN THE REGULATIONS OF THE  
STATE BOARD OF EDUCATION**

Notice is given that the State Board of Education, under authority vested by AS 14.07.060, proposes to amend regulations in Title 4 of the Alaska Administrative Code, interpreting and implementing sections of AS 14.17 dealing with duties and responsibilities of the department related to the disposal of abandoned or obsolete school property in Regional Education Attendance Area School Districts as follows:

Currently the disposal of excess school property is accomplished by the procedures proposed in regulation. The regulations set out and make formal these procedures so that school board members, facility planners and the general public will understand the process.

The process gives priority to state agencies, municipal governments, and then to qualified purchasers. If none of the above is interested, then the Department may convey to a nonprofit entity. If no one is interested in the property, the Department may arrange for demolition and site restoration.

Notice is also given that comments may be made in writing to the Commissioner's Office, 801 West 10 Street, P.O. Box F, Juneau, Alaska, 99811, before 4:30 p.m. on September 15, 1989.

This action is not expected to require an increased appropriation.

Copies of the proposed regulations may be obtained by writing to the Commissioner of Education, P.O. Box F, Juneau, Alaska 99811.

The State Board of Education, upon its own motion or at the instance of any interested person, may thereafter adopt these or other proposals dealing with the same subject matter without further notice or may decide to take no action on them.

**NOTICE OF PROPOSED CHANGES IN THE  
REGULATIONS OF THE  
STATE BOARD OF EDUCATION**

Notice is given that the State Board of Education, under authority vested by AS 14.07.060, proposes to repeal, adopt and amend regulations in Title 4 of the Alaska Administrative Code, dealing with the appeals process used by individuals and school districts in appealing special education hearing officer decisions to the Department of Education, to implement and interpret AS 14.07.060, and AS 14.30.180 through 14.30.350, as follows:

Currently 4 AAC 52.570 permits each party in an appeal to the department to present written arguments for or against the decision made during the due process hearing in the school district. The regulation allows but does not require the department to hold a hearing. The regulation does not specify what the reviewing official must do.

The proposed amendment of 4 AAC 52.570 seeks to correct non-compliance errors found by the U.S. Department of Education during its on-site review of Alaska's special education program. The proposed regulation required appointment of an official to review the hearing case and agree or disagree with the findings. It requires this official to review the

whole record of the hearing, assure that due process procedures were followed, seek more information when needed, allow oral or written argument from both parties in the hearing, write a final decision including reasons for the decision, and mail the written decision to each party in the hearing.

Notice is also given that the comments may be made in writing to the Commissioner's Office, 801 West 10 Street, P.O. Box F, Juneau, Alaska, 99811, before 4:30 p.m. on September 15, 1989.
