

Hooper Bay Stocking Gallons Of Fuel Oil for Village

By THEODORE HUNTER, SR.
Hooper Bay, Alaska

I never answer your welcome letters. Because I'm in busy. No time to write.

Even so I think of you also Laura Bergt. Also others. Finally long winter gone now. We had a early spring. And seal is past to the North. The hunters got some seals but not like before. But they got enough for themself.

Even fish are very few we cannot get some fish. We hoping it will be more fish later on.

ARRIVAL OF NORTH STAR
U.S. Motor ship was came

on June 4th brought some groceries to the Native Store and to the B.I.A. school supply. Also fuel for school about 56,000 gallons of stove oil and to Native Store about 32,000 gallons. Also to Mission 2,000 gal. lots of stove oil this time.

Last winter store was out of stove oil. I hope next winter we will have enough stove oil.

The man working hard unload the Barges when they came in for unloading. They work 8 days. Only now one Barge carry fuels then the boat will leave next Wednesday. June 14th.

Thats all for this now until next news. I hope to see you all in near future.

God bless you all.
