telephone number: 442-3696

In addition, a copy of the petition and supporting documentation has been provided to the North Slope Borough, P.O. Box 69 Barrow, Alaska 99723 (telephone 852-2611). It is presumed that the petition may also be inspected at the North Slope Borough offices in Barrow.

Persons or entities may submit written comments or may file an answering brief in support of or in opposition to the proposed boundary change. Answering briefs must be submitted in accordance with the provisions of 19 AAC 10.550. It is requested that a copy of any written materials submitted to the Department of Community and Regional Affairs also be provided at the same time to the North Slope Borough (attention: Earl Finkler)

at the address listed above.

To be considered in the REPORT AND RECOMMENDATION TO THE LOCAL BOUNDARY COMMISSION on this proposed detachment, which is to be prepared by the Office of Management and Budget of the State of Alaska, copies of all written answering briefs and comments must be received in the Anchorage Office of the Department of Community and Regional Affairs listed above by 4:30 p.m., December 18, 1985. It is anticipated that the REPORT will be issued to the Local Boundary Commission by January 6, 1986.

If written briefs and comments are not received by December 18, 1985, as outlined above, they may still be submitted to the Anchorage Office of the Department of Community and Regional Affairs. To the extent that such materials are received prior to hearings scheduled by the Commission of this issue, or during the period in which the Commission may choose to keep the record open following such hearings, all such materials will be provided to the Local Boundary Commission for consideration.

The location, date and times of hearings to be conducted on this matter by the Local Boundary Commission will be established by the Commission during a meeting scheduled for December 9, 1985, to be held in the Anchorage Office listed above beginning at 2:00 P.M.

Individuals who wish to receive copies of the petition and supporting materials may contact the Department of Community and Regional Affairs at the Anchorage office listed above.

All questions, requests for or submissions of information and/or materials relating to this matter should be directed to Marty Rutherford, Director of the Municipal and Regional Assistance Division at the Anchorage address and/or telephone number listed above.

NOTICE OF FUTURE MEETINGS
REGARDING THE
PROPOSED DETACHMENT OF TERRITORY
FROM THE JURISDICTIONAL BOUNDARIES
OF THE NORTH SLOPE BOROUGH

The Local Boundary Commission of the State of Alaska will have before it, on or about November 22, 1985, a petition for the detachment of territory from the North Slope Borough. The area proposed to be detached is approximately 3,298 square miles in size and consists of that area lying both within the North Slope Borough and the NANA Regional Corporation, as well as the waters three nautical miles offshore of the boundaries of the NANA Regional Corporation.

The Local Boundary Commission will conduct a series of public meetings over the next 70 days to consider and act upon this proposed boundary change. Notice of these meetings will be published, to the greatest extent practicable, in the *Tundra Times* and the *Anchorage Daily News*.

Notice of the meetings will also be posted at the following location:

Kotzebue Regional Office
Municipal and Regional Assistance Division
Department of Community and Regional Affairs
Drift Inn, Second Floor

Kotzebue, Alaska 99752

Notice of the meeting and instructions to post the notice in public locations will also be sent to the Clerk of every municipality within the boundaries of the North Slope Borough and the NANA Region.

Individuals and organizations will also receive copies of such notice if they request that their names be placed on the mailing list for this matter. Individuals wishing to place their names on this list must write to or telephone the following individual (collect calls will be accepted):
